Top Chef Camp

Do you love to help cook and bake? Would you love to spend a weekend gaining valuable culinary skills and participating in fun cooking challenges? If so, this is the camp for you! If you are between the ages of 9 and 13 then you don't want to miss this experience!

Top Chef Camp participants will experience a weekend of cooking, learning, and fun. Students will learn about topics such as knife skills, how to read a recipe, etc. and will be challenged on what they have learned! Groups will participate in these challenges and gain points. The weekend will culminate in a final challenge, and the winning group will get a prize and be crowned "Top Chefs"!
